TRAINING PROGRAM

CoffeeMind

Choose to take either *Integrated Sensory Performance* program and *SCA Sensory Skills* certification or *Sensory Performance* program only.

The sensory Performance program takes 12 weeks and after completion you will be ready to take the *SCA Professional level* six weeks later.

For more information about CoffeeMinds training program please visit www.coffee-mind.com/sp

* The *SCA Sensory Skills Professional* certificate can first be taken 3 months after the *Intermediate*, but after TEST 3, and with home practice, you will be ready for this.
